RJ McDONALD INC. 2019-2020 OIL BURNER SERVICE AGREEMENT

RJ McDonald Inc. would like to thank you for selecting our Burner Service Argeement. By choosing this plan, not only are you covered for most repair items, you also receive priority scheduling. Our service agreement provides you peace of mind and also guarantees regular maintenance for your heating system to keep it working properly and at maximum efficiency. We invite you to take a few minutes to review our contract.

Our service contract provides repair or replacement of the following items:

Boiler aquastat	Draft regulator	Fuel solenoid
Blower motor	Electrodes	Ingition transformer
Burner air tube	Fan belt	Nozzle
Burner end cone	Fan and limit controls	Nozzle line
Burner fan	Firematic switch	Smoke Pipe
Service switch	Flame detector and wiring harness	Standard non-programmable thermostat
Burner flange and gasket	Fuel filter cartridge	Switching relays
Burner motor	Fuel pump	Zone valve power actuator
Burner motor coupling	Fuel pump strainer	
Burner safety control		

In addition to our parts coverage, our plan includes your annual burner clean-out and efficiency test.

****Labor is covered for replacement of the parts listed above that are covered by the contract.****

For parts that are not covered by the contract, labor will be billed at standard or overtime rates.

Only EMERGENCY NO HEAT situations will be scheduled after hours. All other calls will be handled during our normal business hours.

The following items are **NOT** covered by our service plan:

- Damage caused by power surges, flooding or freezing - Dirty air filters - Power vent systems - Computer control systems
- Switches, valves and thermostats turned off - Obsolete parts - Oil tanks, oil lines and oil valves - Unit heaters such as toe kick heaters, wall mounted blowers and fan/coil units
- Water parts including circulators, electric feed valves, low water cut-off, pressuretrols, expansion tanks, flow check valves, pressure valves and air vents.

In order to qualify for this service plan you must be an **automatic delivery** customer in good standing and purchase all fuel from RJ McDonald Inc. Any customer not purchasing all fuel from RJ McDonald or with overdue balances may have their contracts terminated and forfeit any refunds.

Your heating system must be inspected prior to becoming eligible for this plan.

The fee for this plan is \$275.00 annually, to be paid in full prior to activation. Plan will automatically renew until notified by customer in writing.

Please contact us if you have any further questions or would like to schedule a system inspection.
